VERNON, B. C., THURSDAY, APRIL 6, 1939

Growers Give Central Selling Strong Mandate

Curling Bonspiel Is Featured By Very Keen Competition

K. W. Kinnard's Rink Is The Chief Winner In Events

Vernon, Kelowna, Nelson, and Vancouver rinks shared honors in final events of the second annual Okanagan Valley bonspiel, which concluded late Saturday night at the Civic Arena after three days of lively activity.

Twenty-one skips entered rinks in the final, the Interior's premier curling event, and competitors for the five trophies and prizes offered continued for many hours each day.

Draws of necessity came so hurriedly for winning rinks that they practically never left the ice for from 12 to 14 hours each day.

Major trophy winner at the bonspiel was the "OK" rink of K. W. Kinnard, skip, W. W. Darroch, Carl Stevenson, and Robert Grant, who captured the Bucknerfield and Liphardt cups and attendant prizes.

This Vernon-entered rink, in taking the handsome silverware, performed something of an "iron" stunt. Their Friday session must start at 1:30 p.m. to 1:30 a.m. on the following morning, and on Saturday from 9 a.m. to 1 a.m.

The B.C. Box trophy, competed for the first time at this bonspiel, and perhaps the most prized of all cups, will rest in the Kootenays until next year.

R. E. Horton, of Nelson, who is well known in this city, skipped one of the event's stoniest rinks of George Hill, Harry Horton, and Leo Desreux, a former "big time" hockey star. The Nelson four won out in the final from the Vernon rink of Jack Reid, S. P. Seymour, A. Morgan, and M. J. Conroy, 13-9. This was an open event and 20 rinks entered, the same number as for the Liphardt trophy, which was also an open competition.

R. B. Staples' "Highland Belle" rink of Art Lander, F. J. Willis, and L. R. Stephens, won the McCollum trophy 13-9 from Palmer, of Enbridge. This cup has an interesting history and is one of the oldest curling trophies in the Interior. It was first competed for in 1909, being won that year by Hamilton Lang, skip, F. B. Jacques, P. Dickson, J. T. Duncan. In 1910 the winning rink was M. V. Allen, J. T. Duncan, H. Brown, and K. C. MacDonald, skip.

Dave Garnham, of Vancouver, defeated A. C. Liphardt, of Vernon, in the final for the Nabob trophy by a score of 15-4. On Garnham's rink were Steve Lea, Jim Frazer, and G. R. Stuart, formerly of Flintry, and on Liphardt's, E. J. Chambers, H. G. Greenwood, and Cliff McWilliam.

Arrangements for the bonspiel were carried out under direction of the Vernon Curling Club executive of H. J. Phillips, president; Carl Stevenson, secretary; Norman Curry, treasurer; and committee, A. C. Liphardt, Dolph Browne, J. E. Montague, S. P. Seymour, Gordon Ballie acted as clerk of the event.

EXHIBITION OF ART HERE WINS MUCH ATTENTION

Excellent Creative Ability Is Revealed By Display

A commendable amount of interest was shown in the Okanagan Valley Artists' Exhibition, held from last Thursday to Saturday, in the shop formerly occupied by Allen Arts Ltd. on Barnard Avenue.

This project was organized by Miss Topham Brown and Miss Susan Gibson for the benefit of the Chinese Relief Fund, and over \$50 was raised after paying expenses.

Exhibits, consisting of water colors, pastels, oils, pencil sketches, and sculpture, numbered about eighty, and represented the work of both amateur and professional artists from Vernon, Oyanama, Kelowna, Kamloops and other points.

They were arranged, so far as an artistic showing was possible, in geographical groups, and excellent work was seen on all sides. In fact, it would seem that honors are pretty evenly divided in the Valley, and the work of local artists merits more credit and appreciation than it is generally accorded.

The water color section was by far the largest in the exhibition, and to this critic's mind, the loveliest thing among them was a small sketch by G. A. Meeres entitled "A Prairie Town." Its preponderance of sky, soft colors, and hazy atmosphere caught the spirit of the prairie, and it is reminiscent of the best of its type in English water colors. Mr. Meeres' "Kootenay River" is also in color.

Miss Susan Gibson's "Lumber Mill" is also indicative of the country and represents a difficult subject well handled. Her work shows a mature mind bringing design into what seems to be a sketch by Ruth Grierson, one of the pupils of Miss Brown, has all the charm of a delightful fairy tale.

ART EXHIBIT (Continued on Page 4, Col. 3)

TENDERS FOR TRUCK BEFORE CITY COUNCIL

Tenders from five local garages for a Board of Works dump truck were opened at the City Council meeting Monday night.

On to Alderman David Howie and committee for a report.

Firms tendering were Shillam's Garage, Green's Garage, Watkin Motors Ltd., Vernon Garage, and Bloom & Sigale Ltd. A maze of figures were presented to the Council, and each tenderer offered a number of prices.

In Board of Works estimates for the current year, the sum of \$2,400 was set aside for the new truck.

Tenders for rubber clothing for the Fire Brigade, for one hose, and for a set of ladders, were referred to Alderman A. C. Wilde for a report at the next Council session.

The Vernon Hardware Co., Ltd., bid of \$3.93 a roll for poultry wire was accepted, as was the Wayside Press's tender of \$40 plus tax for printing of notices and a competitive tendering sent in. Bids were as follows:

Frank Valair, 40 acres on Kamloops Road, \$15. J. Mushewsky, the "Blister," \$15.50. Miss Molly Clarke, property on Shillam Avenue, \$12. E. N. Clarke, two lots on North Street, \$5. A. Smilthers, five acres on North Street, \$11. Ed. Wedman, reservoir, \$18. J. Mayrhofer, Sr., gravel pit, \$15. Mike Chuchern's tender of \$3 a year for 15 years for the old reservoir was rejected and the bid of \$10 for property on Pine Street. The former property will be rented to Mr. Chuchern for \$3 for one year and the latter was withheld as it is used as a playground by children.

The Nelson Board of Works Chairman Alderman David Howie, in ordering \$50 cedar posts, peeled, at 12c each, was endorsed by the Council. Similar endorsement was given Alderman Wilde as chairman of the waterworks committee in securing a carload of pipe.

It is known that all fishermen are illars.

Now, let's get on with the story. Joe Spurrier, fisherman from Los Angeles to Great Bear Lake, fishing at the mouth of Adams River, on April 2, took a Rainbow trout, which hours later, on Jim Horn's carefully tested scales, weighed 15 1/2 pounds. He hooked the fish in the swift water, a six ounce rod and on a white nymph. (By the way) the fish was the lightest fishing tackle attached to a 1X leader.

That is, you don't believe it. That's what makes it a good story. What makes it good for Joe, though, is the other fellow's, is that there were witnesses aplenty. Bill Harris was in the boat with him, and Geoff. Whitehead and Jon. Montague saw the whole performance from a nearby boat and to satisfy themselves went ashore and examined the fish and tackle. So excellent was the struggle and such a strain was Spurrier under, that when the weight scales would not record the weight of the newly taken fish, the President of the British Columbia sportsmen was sick at the stomach.

After the fish had towed the boat aided by the

Where's The Opposition?

Pioneers' Memory Is Honored When Large Rock Is Installed Here

Horticultural Society Is Planning Improvements To Small Park Site

Saturday morning last was marked by the fixing into place of a large rock on the triangular piece of land at the west end of Barnard Avenue, bordered by Coldstream Street, which is known as Cameron's Park, or Pioneers' Park.

This work was done by the Vernon and District Horticultural Society. The rock, it is explained, is to stand as a memorial to the old timers of the district. The plan is to have a plaque, suitably inscribed, placed on it some time in the future.

Meanwhile other improvement work is to be done, it is reported by Dr. J. S. Brown, President of the Society. At the expense of the Society, the land is to be plowed and seeded, and an attractive hedge bordering the whole triangle is to be developed.

"We intend to make this site of land as fitting a memorial to our pioneers as our finances can permit," the President said.

J. E. Briard, Secretary of the Society, who was inspecting the initial stages of the work on Saturday morning, pointed out that the property should never be built upon. The triangle is of such a nature that any obstruction to view would constitute a traffic hazard.

The land was occupied for a considerable time by the building erected by W. P. Cameron, Vernon's first Mayor in 1893. From this standpoint, therefore, it is also regarded as a very fitting place by which to commemorate the old timers.

When the work on the rock is completed, its mounted height will be about six feet, the Society leaders say. Its weight is about twelve tons, and it was obtained from the rock bluff which is a prominent site in the South Vernon area.

TO PRESENT "CRUCIFIXION" HERE ON GOOD FRIDAY

Lovers of Stainer's "Crucifixion" will be afforded an opportunity of hearing this beautiful Easter story on Good Friday evening, April 7, in All Saints' Church.

A choir of 70 voices from the United Church and All Saints' Church will have the assistance of W. L. Seaton, tenor, and Fergus Muir, baritone, with Mrs. C. W. Gaunt Stevenson, pianist, and P. W. Statham, organist. The performance is under the direction of Mrs. Daniel Day.

KNOWLES HEADS GOLFERS

PENTICTON, B.C., April 4.—B. W. Knowles is the new president of the Penticton Golf Club. A new director elected this year, replacing J. M. Gairbairn.

Waller F. Berry's application for a civic water connection was refused by the City Council Monday night. He had asked that he be allowed to connect to his house, which is outside the city limits.

DECLARE WAR ON PREDATORY BIRDS

The annual shoot for the elimination of predatory birds is being sponsored by the Vernon Fish and Game Protective Association and Jack Woods, as usual, is counting heads.

Jack anticipates that during the holidays the young fellows will kill quite a number of birds and he is asking that they bring them in for counting before the weather gets warm or they get high. There will be the usual distribution of shells and points for the birds and when the executive of the association meets there will be an announcement regarding prizes.

At the meeting of the executive there will be a decision as to the next meeting of the association and members are reminded to attend prepared to submit resolutions to go before the annual meeting in June.

Jack Monk, treasurer, reports that there is increasing interest in the work of the association and that already there are 95 members enrolled.

COUNCIL GETS BIDS FOR LOTS IN CITY

Offers to purchase three properties were received by the City Council on Monday night and were referred to the land sales committee. The bids were: from Peter Matthews for part of a lot facing Carey Street on Pleasant Valley Road, for \$200; from Mrs. M. A. McFadden for six lots behind Vance Street, for \$50; and from Rev. Father J. P. Kane for a lot on the north side of the Catholic Rectory, for \$25.

PENTICTON CURLERS PLAN ARTIFICIAL ICE

Penticton, B.C., April 4.—Preliminary plans for construction of a two-sheet artificial ice curling rink were laid at a meeting of Penticton curlers on Thursday night. While no final decision was arrived at, the general tone of the meeting was one of enthusiasm for the idea. Cost of the complete installation would be in the neighborhood of \$5,000, the curlers were told by M. McKerracher, who had prepared a sheet of comparative costs.

REQUEST REFUSED

Waller F. Berry's application for a civic water connection was refused by the City Council Monday night. He had asked that he be allowed to connect to his house, which is outside the city limits.

Eight Out Of Nine Voters Demand Full Producer Control

V.I.D. ANNUAL MEETING IS SET FOR NEXT WEEK

Reports Distributed Show Volume Of Work In Past Year

The annual meeting of the Vernon Irrigation District is to be held in the Vernon Fruit Union Hall on Thursday afternoon of next week, April 13, at 2 o'clock.

Two members of the Board of Trustees have terms expiring at this time. They are W. H. Baumbrough and J. C. Keenan. Nominations for these vacancies are to be received from 9 o'clock until noon at the office of the district, next Tuesday morning, April 11. The election, if necessary, will be held on Saturday, April 22, at the office of the district with voting from 9 a.m. until 5 p.m.

The trustees whose terms continue for another year are P. J. M. LeGuen, Peter Mehling, and G. L. Ormsby.

The eighteenth annual report of the trustees has now been released to the district. That the budget is largely beyond the control of the board, is pointed out. The arrangement with the Water Board has brought this about.

No particularly large individual expenditures are contemplated for 1939. Any sum saved on operating expenditure, the report says, has been allotted for a better class of material for replacements. Steel and concrete pipe have been installed when possible.

The matter of water to city users became acute during the irrigation season and in a year like 1938 it means that a penalty is placed on taxpayers. A very small area within

V.I.D. REPORT (Continued on Page 9, Col. 4)

FURTHER \$100 ADDED TO PUBLICITY GRANT

The Vernon Board of Trade's request for an additional grant of \$100 to be spent on publicity purposes was accepted by the City Council Monday night, on the understanding that the board raises another \$150.

Capt. H. P. Coombes, board secretary, wrote to the Council, thanking it for the \$250 already voted for publicity purposes, but stating that the minimum cost of descriptive matter would be \$500. If the Council would grant an additional \$100 the board would undertake to raise the remainder, the letter said.

Alderman David Howie's motion to refer the request to the finance committee was objected to by Alderman A. R. Smith, who pointed out that the board's estimates were already struck and that no provision was made for any further grant. "I think this is entirely without date and not the finance committee," he said.

Alderman A. C. Wilde, who moved the motion that was later carried, said that the Council has the sum of \$300 for sundries.

That this city is entirely without any descriptive material was Alderman Wilde's reply, and he added that in his opinion the board has not been "very extravagant" as 13 years have elapsed since printing of the last folder.

Alderman Howie seconded Alderman Wilde's motion, which was carried with Alderman Gairbairn also in support. Opposed was Alderman Hunt, and Alderman Smith did not vote.

WHEELER, BURROWS TO MEET HERE MONDAY

L. F. Burrows, secretary of the Canadian Horticultural Council, Ottawa, arrives in Vernon at noon on Friday and Col. R. L. Wheeler, of the Fruit Branch, Department of Agriculture, Ottawa, arrives here at noon on Monday, and individually and collectively they will engage in conferences bearing on the marketing of B. C. fruits and vegetables.

Mr. Burrows, accompanied by F. A. Lewis, of Vernon, chairman of the B.C.F.G.A. Tariff Committee, will confer with the Bunka Company at Summerland, and with the B.C.F.G.A. Tariff Committee at Penticton next Saturday and will return to meet Col. Wheeler here on Monday.

They will confer with Bryson M. Whyte, district fruit inspector, Monday afternoon and Tuesday morning will meet the Executive of the B.C.F.G.A. in Kelowna and in the afternoon will meet the B.C.F.G.A. Grades Committee.

Next Wednesday they will confer with the Okanagan Federated Shippers' Association. This meeting will be held in the Board of Trade rooms, Kelowna.

They will also make a number of individual contacts when in the Valley.

They will have left before the conference on the proposed larger apple container which will be held in Kelowna, April 14.

Percentage of 'Yes' Ballots Is 89.3--1,699 Signify Approval For Move

Rolling up an 89.3 percentage in favor of central selling, fruit growers have responded in their ballot with a strong mandate.

R. G. Rutherford & Co., the auditing firm which has handled the vote, announced on Tuesday night from Kelowna the results contained in the 1,903 ballots which were returned.

As many as 1,699 voted "yes" on the question of central selling, while 202 ballots said "no."

An analysis of the results in the various areas shows that Kaleden, Sorrento, Winfield and Okanagan Centre were 100 percent behind the new move. Next highest was Oliver at 98.57, and other areas in order were Kootenay, 97.96; Salmon Arm, 97.52; Penticton, 96.21; Armstrong, 96.15; Naramata, 95.24; Summerland, 93.17; Keremeos, 92.54; Coldstream, 91.89; Kelowna and Okanagan Mission, 91.53.

Vernon's percentage was 73.13, rather low on the list, the only others farther down being Oyanama, 66.67; Kamloops, 33.33; and Grand Forks, last of all, 7.14.

The following figures are taken from the statement by auditor R. G. Rutherford:

The enumerated vote is classified as follows:

Growers voting Yes: Signed ballots 1,623 Unsigned ballots 69 Total 1,692 Plus unregistered 7 Grand Total 1,699

Percentage "yes" votes 89.374%

Growers voting No: Signed ballots 192 Unsigned ballots 8 Total 200 Plus unregistered 2 Grand Total 202

Percentage "no" votes 10.626%

The number of Registered Growers according to the registration records available from the records of the Tree Fruit Board 2,517 Ballots cast by unregistered growers 9

Total 2,526 Less rejected ballots 10 Growers on registration list apparently not voting 615

Total 2,526 Total number entitled to vote 2,526 Less those not voting and rejected ballots 625

Total votes cast 1,901 100 percent vote would be 1,901

PERCENTAGE OF VOTES IN EACH DISTRICT FOR CENTRAL SELLING PLAN

Armstrong 98.57 Coldstream 91.89 Oyanama 66.67 East Kelowna 77.54 Kelowna 91.53 Ellison 84.21 Glenmore 76.13 Grand Forks 7.14 Kaleden 100.00 Kamloops 33.33 Kelowna & Okanagan Mission 91.53 Keremeos 92.54 Kootenay 97.96 Naramata 95.24 Oliver 98.57 Osoyoos 88.09 Oyanama 66.67 Penticton 96.21 Ruland 84.62 Salmon Arm 97.52 Sorrento 100.00 Summerland 93.17 Vernon 73.13 Winfield & Okanagan Centre 100.00 Late (not classified) 81.18

LOYD'S STATEMENT

Commenting on the results of this vote, A. K. Loyd, President of the B.O.F.G.A., says: "I can hardly imagine a more emphatic answer than is contained in the ballot."

His statement on the general situation is as follows:

"The vote just recorded seems remarkable from several points of view. First, without any high-pressure campaign or even an organized canvass, nearly seven percent of all registered growers took advantage of the ballot which demonstrates the interest taken in the question."

In any plebiscite among fruit growers over the wide tree fruit area, we find that for various reasons an 80 percent vote is about the maximum that can possibly be expected. Certain religious denominations in the Okanagan or Kootenay, neither vote nor sign contracts. Some growers are so remote, particularly in the Arrow Lakes, that they very seldom record a ballot. Adequate absentee options referred to above, voiced by those in disagreement with the Central Selling Committee was genuine, and if so, I suggest that they now make an equally sincere gesture and co-operate with the B.O.F.G.A. in implementing the ballot which has given the result is far more than a vote, it is a shout and a clamor."

"The reference to the growers was asked for by the Central Selling Committee because the argument was put forward by those in disagreement that the B.O.F.G.A. Convention did not fairly represent the opinion of the growers. I can hardly imagine a more emphatic answer to that than is obtained in the ballot, and possibly no further discussion is needed on that score."

"I believe that the opinion referred to above, voiced by those in disagreement with the Central Selling Committee was genuine, and if so, I suggest that they now make an equally sincere gesture and co-operate with the B.O.F.G.A. in implementing the ballot which has given the result is far more than a vote, it is a shout and a clamor."

"As has often been said, this industry of ours has sufficient difficulties to combat, without discussion among ourselves. From now on, every effort should be directed towards ensuring the success of a central selling plan."

"The steps to be taken to comply with the mandate by the growers, lie with the B.O.F.G.A. directors and executive, and they have been instructed to proceed along the lines set out by the Central Selling Committee."

Conditions in the fruit business

GROWERS (Continued on Page 4, Col. 5)

WILL YOU "BELL" YOUR CAT?

Will the City Council pass a by-law to compel owners of cats to "bell" their pets?

At Monday night's Council session, Mayor Harry Bowman reported that as a result of hearing some radio program, several local ladies had approached him with the request that such a measure be enacted so as to save bird life.

"You worship, do you suggest a license fee of \$50 for cats?" asked Alderman A. C. Wilde. "There was no immediate response to this query."

That this subject is no joke, was Alderman C. J. Harris's contention. "A bloodthirsty cat can destroy every robin for miles around," he said in declaring himself in favor of such a by-law.

Several aldermen pointed out that measures to "bell" cats have been passed in some Alberta centres, and there the subject dropped.

Among the varied and colorful background against which action unfolds are Japan, the Philippines, the Malay countries as Hawaii, Java, Indo-China, the Malay Ceylon, India and the Hawaiian Islands.

Mr. and Mrs. Horace Poole and family, of this city, left on Sunday last by motor to spend a month touring in the United States, and intend to visit Treasure Island, also of the San Francisco World's Fair. Their trailer, which is attached to the automobile, will be their "home" during the holiday and was constructed entirely by Mr. Poole. The work occupied a year and the trailer is very complete and modern. Included in it are two double beds, a refrigerator, sink, and other kitchen appliances.

Town and District

Mr. and Mrs. L. A. Lang are visitors to Vancouver this week.

Mayor Charles Scanlan, of Kamloops, was a visitor to this city on Friday of last week.

Mrs. P. R. Finlayson, of Okanagan Landing, is leaving on Thursday for the Coast, where she plans to spend several weeks.

After eight months spent in San Francisco, Miss Madeleine Megaw, R.N., has returned to the home of her parents, Mr. and Mrs. W. E. Megaw, in this city.

After having spent the winter months in California and at Courtenay, Vancouver Island, Major Mrs. Alan Brooks returned to their home at Okanagan Landing on Tuesday.

Ed Johnson, of Calgary, is at present a visitor to this city, the guest of his son-in-law and daughter, Mr. and Mrs. Charles Bertelsen. Mr. Johnson expects to spend a month here.

Peter L. Scott returned to his home in this city last week after a two months' absence, during the course of which he had visited China, supervising the delivery of an order of daily cattle to that country.

R. J. McDougall, publisher of the Penticton Herald, passed through this city on Friday last, on his way to Penticton after a trip east. Mr. McDougall visited the Mayo Clinic in Rochester, Minn., and in Toronto, and Ottawa.

Mr. and Mrs. E. Amundson, of Vancouver, were visitors here today with Mr. and Mrs. J. S. Vollet. Mr. Amundson was engineer for the contracting firm that built the new High School and proceeded to Kelowna in connection with a school construction contract there.

The request of Capt. E. W. Halsey, of the Salvation Army, for permission to hold a tag day in Vernon was received by the Council Monday night and was referred to Mayor Harry Bowman to act as see best. The date requested was Saturday, May 13.

Mrs. Orville Daniel occupied the pulpit in the First Baptist Church on Sunday evening, when she spoke on her work as a missionary in India. She is at present visiting Canada on furlough, and intends to travel east with her husband, Dr. Daniel, before returning to India. Prior to visiting Vernon last Sunday she had spent some time in Summerland and Kelowna.

The many friends in this city of Ronald Dean were pleased this week to learn that he has been promoted in the service of the firm of MacKenzie, White & Dunsmuir, Ltd., to take charge of the Penticton branch. He has been with the branch in Vernon for the past five years, since its inception here. Mr. Dean left for his new appointment at the end of last week, and Mrs. Dean will be following him to Penticton in about two weeks.

Mr. and Mrs. Harry Minnie and family have come to Vernon to make their home. Mr. Minnie is manager of the main floor of the Hudson's Bay Co. store and, with Mrs. Minnie and family, is now living at 115 North Street. They have a family of two children, a boy of eleven and a girl of four. Prior to being with the Hudson's Bay Co. in Saskatoon for nine years, Mr. Minnie managed a store at Vulcan, Alberta.

An "open forum" to deal with a request from an organization in Eastern Canada, which is seeking to find a solution for the unemployment problem, was held by Rotarians Monday at their weekly luncheon. As part of a campaign service clubs throughout Canada are being asked to contribute their views on the question. Speakers heard were Rotarians W. R. Pepper and J. E. Leslie. The discussion will be continued at a future meeting.

W. D. McKenzie was named president of the Vernon Lawn Bowling Club at the annual meeting in the Board of Trade room on March 31. Other officers are: vice-president, F. J. Vinnicombe; secretary-treasurer, A. Woodcock; executive committee, C. Griffin, W. J. Oliver, J. A. Kent; auditor, J. Stark; umpire, W. L. Pearson; publicity, Mrs. O. M. Rose; honorary members, Mayor Harry Bowman and A. E. Hayhurst. At the gathering business for the forthcoming season was discussed.

The Pinty Cup, donated for Okanagan curling competitions by Capt. J. C. DunWaters, will rest in Kelowna until next season. On Saturday night at the City Arena, a Kelowna rink of W. Vance, J. B. Lander, Jack Stirling, and J. Harvey won the trophy by decisively defeating Dolph Browne's rink of Stuart Martin, Hugh McLaughlin, and Don Jackson. Capt. DunWaters, who has been spending the winter at Vancouver, recently returned to Pinty, on the west side of Okanagan Lake, and was a visitor at the hospital.

Business visitors from Vancouver in Vernon this week included Lieut. Col. E. B. Westby, president, and David Grierman, managing director of the West Canadian Hydro Electric Corp. Ltd. Lieut. Col. Westby emphasized the fact that the policy of the directors is to improve and maintain the properties. He mentioned the new telephone building at Salmon Arm and said that other improvements are planned as soon as money is available. The aim of the corporation is service to the users of the various utilities, and improvement of properties ahead of dividends.

BOX LACROSSE

The annual general meeting of Vernon Box Lacrosse will be held in Board of Trade Room, City Hall, Friday, April 14th, at 8 p.m. for the purpose of considering reports and election of officers for 1939. Everybody welcome.

G. W. GRIFFITHS Secretary.

Constable W. H. Oils, of Red Pass, spent the week end in this city.

Mr. and Mrs. W. H. Bryson, of this city, left on Tuesday for the Coast, where they will spend a holiday.

After having spent the winter months visiting in Winnipeg, Mrs. A. Wilmot returned to this city on Friday of last week.

Mrs. Clara Althouse, of Handel, Sask., is visiting her brother in this city, L. L. Stewart. She arrived here last Saturday and will spend a month.

Harry Pout, manager of the local Hudson's Bay Co. store, left last Thursday on a business visit to Winnipeg. Mrs. Pout accompanied him and they expect to enjoy Easter with their son-in-law and daughter, Mr. and Mrs. H. Richmond.

After three weeks spent on holiday in California and at San Francisco's World's Fair, Desmond O'Brien, of the Bank of Montreal staff, has returned to this city.

Mr. and Mrs. J. L. Haros and their daughter left on Sunday last by motor for California. During their holiday trip to the south they will visit the San Francisco World's Fair.

The Vernon Fire Brigade answered two alarms on Tuesday. The first, at 12:30 o'clock, was to a home on Elm Street near Maple, and the second, at 2 o'clock to the Anderson home on Barnard Avenue. Both were chimney fires and no damage was caused.

Mayor Harry Bowman and Alderman A. R. Smith were visitors to Kelowna on Tuesday. At Monday night's City Council session, Mayor Bowman said that he planned to enquire into details of the proposed sugar beet refinery for the Okanagan, and if possible to secure information.

President Everard Clarke, of the Vernon Board of Trade, returned this week after visiting in Vancouver, Victoria, and part of Washington. While away Mr. Clarke obtained valuable publicity for this city and for the Big Bend highway in various papers. He was accompanied by Mrs. Clarke.

Cecil Denison and Jimmy Cochran, who left this city recently for England, have been accepted for training in the Royal Air Force following their series of initial examinations. Cables reached this city on Thursday of last week, telling the Vernon relations of both these young men of their enrolment.

Among those from outside points who attended funeral services at the United Church on Saturday for the late A. S. Hurlburt were: his brother, Horace Hurlburt, a resident of Kelowna; his niece, Miss N. Day, also of Kelowna; and a son and daughter-in-law, Mr. and Mrs. Arthur Hurlburt, of Peace River, who have spent the winter months here.

With a view towards the formation of a Vernon unit of the Canadian Society for the Control of Cancer, an organization meeting is to be held in the Board of Trade room on Thursday evening, April 6, at 8 o'clock. Representatives of a number of local service clubs and other groups will be present and all interested are cordially invited to attend. Dr. J. E. Harvey is in charge of the move.

OSOYOOS INVESTIGATES NEW WATER SYSTEM

OLIVER, B. C., April 1.—The border hamlet of Osoyoos wants a domestic water system, and the Osoyoos Board of Trade is now investigating the possibilities of such a system. A petition is being circulated requesting the Provincial government to install a domestic water supply system, and the signatories agree to take the service and pay a minimum of \$250 a month. Under the proposed plan the system would cost \$10,000, and would consist of an electric pump to lift the water from the Osoyoos Lake to a reservoir, and supply pipes to the business and residential sections of the townsite.

NEW MAIL ROUTE

KELOWNA, B. C., April 3.—Postmaster E. R. Bailey announces that, commencing April 1, a new rural route has been instituted in the Kelowna district to be known as Rural Route No. 3. This route will have all mail delivered as far as Hollywood road, turning from there to cover all Belgo and joining the Vernon road again at Simpson's ranch corner. From there the carrier goes to Reid's Corner and through Glenmore to Kelowna. There will be 170 boxes in this rural section.

REPORTS LESS FEAR OF WAR IN ENGLAND THAN IN OKANAGAN

Mr. and Mrs. Fred Morris Return After Visit To Old Country

LUMBY, B. C., April 4.—Mr. and Mrs. Fred Morris, formerly of Lumby, have returned to their home in Vernon after spending the winter months with the former's mother and other friends in the Midlands, England. Mr. Morris states that he detected less apprehension of war during his stay in England than he has noted since his return. Though they enjoyed their voyage and visit fully, both are firmly convinced that the Okanagan is much the better place to live.

The Flying Frenchmen, Okanagan Valley hockey champions, are resplendent these days in their attractive new leather jackets, secured by joint action of the Hockey and Community Clubs. An Elementary School choir, under the talented leadership of Mr. Albert Murphy, is being sponsored by the Knights of Pythias, to enter the Okanagan Valley Musical Festival, to be held in Penticton, April 23-25.

Joe Breckinridge left recently for Wallachin, where he will assist in the training of race horses for J. Doring.

Mr. and Mrs. W. J. Shields and Miss Betty Shields left by motor March 31 for Los Angeles, where they will visit Los Angeles and the World Fair at San Francisco. They intend to return early in May.

Under the capable direction of Father O'Brien and Mrs. A. Pattie, members of the Roman Catholic Church presented the ever-popular "Joy Cats and Donald McCusker," to a large and appreciative audience at the Parish Hall on Friday, March 31. The cast consisted of: Margaret LeBlanc, Rene Bourcier, Mrs. Meiers, Henry Martin, Louis Lowers, Rene LeFranc, Mr. O'Toole, Nickie Cate, Joy Cate, and Donald McCusker. At the conclusion, refreshments were served.

Damages done recently by fire to the croesetting plant of the Bell Pole yard are now repaired and the treating of poles ready to commence. The equipment as they impatiently wait for the roads to improve and the ice to clear so that they might start their fishing activities. A few intrepid fishermen, who visited Mabel Lake on April 2, report that the ice probably will be all out by Easter week end. Sugar and Echo Lakes, however, will likely be ice-bound for two weeks yet.

Miss Simms, George Brisco, and George Falconer, of the local school teaching staff, and Earl Quin, of the local school, attended the regular monthly meeting of the North Okanagan Teachers' Association, held in Armstrong Friday, March 31.

PAYS FINE HERE

Joe Murray paid a fine and costs totaling \$13.75 last week when he was convicted of trapping without a license. Game Warden Charles Still prosecuted and the case was heard by Justice of the Peace W. A. Warren, of Falkland.

Mr. Still points out that last Saturday, April 1, marked the start of the closed season on dogs running at large. Pheasants are being worried by roving canines, he says, and owners are liable for prosecution.

GOLFERS OPEN SEASON WEST SUMMERLAND, B. C., April 2.—Although devotees have been playing for some time, the official opening of golf at Summerland will take place on Tuesday. Officers elected for the ensuing season are president, Alex Smith; vice-president, E. R. Butler; secretary-treasurer, T. A. Walden; executive, C. Bleasdale, George Henry, Gerry Laidlaw, and T. B. Young. C. Bleasdale was elected captain of the men for the year, and captaining the ladies is Mrs. T. B. Young.

LAST RITES PAID A. S. HURLBURT HERE

Asahel Sheldon Hurlburt, a prominent resident of this city since 1920, succumbed at his home on Thursday after a lengthy illness. Largely attended funeral services were held from the Vernon United Church on Saturday afternoon, with the Rev. Dr. J. H. Davies officiating and interment being in the Vernon cemetery.

Mr. Hurlburt was a pioneer Saskatchewan homesteader and farmer and came to the Okanagan with members of his family to retire 19 years ago. He was aged 79 at the time of his death, and was born in Gray County, Ontario.

Mr. Hurlburt's principal activities during his residence here were connected with the former Methodist Church and later with the United Church. He was also interested in civic affairs and served five consecutive years on the City Council, from 1925. At Monday evening's Council meeting, it was decided to forward a letter of condolences to Mrs. Hurlburt.

Since union of the two congregations he served as a member of the Session of the United Church and was thus on the Official Board. In the Methodist Church he taught the Bible Class for many years.

One of Mr. Hurlburt's best known activities was in connection with the annual boys' and girls' camps. The site at Okanagan Lake is named after him, as he constructed the present dining room and kitchens and on occasions laid out the camp tents.

He was raised in Ontario and was the eighth generation of his family to be born in America. His forebears were United Empire Loyalists who emigrated to Canada after the American revolution.

As a young man in his early twenties, Mr. Hurlburt came to Western Canada, settling in the Moose Jaw district, where he farmed for 39 years. He left the east in 1883.

Surviving relatives are: his wife, three daughters: Miss Ruth Hurlburt, at home; Mrs. J. Banks, of Moose Jaw, Sask.; and Mrs. W. Phillips; two sons: Harry Hurlburt, of Puerto Rico; and Arthur Hurlburt, of Peace River, who has been recently staying here; one brother: Horace Hurlburt, of Kelowna; and six sisters: Mrs. D. Alexander, of Lethbridge, Alta.; Mrs. H. Dickson, of this city; Mrs. J. Battel, Mrs. E. Hawkes, Mrs. W. H. Brown, and Mrs. Mary McClelland, all of Moose Jaw, Sask. One son, George Hurlburt, died here in 1925.

Mrs. J. E. Quesnel has returned from Spokane to spend the summer with friends in Lumby.

PENNIES GO MILES

Overland owners ride swiftly, comfortably and safely, yet they save money every mile they drive. Recovery a test run made by Mary Spearing, Canadian aviatrix, proved under C.A.A. rules what thousands of Willies-Overland owners report... that they run their cars for less than a cent per mile for gas and oil. Miss Spearing drove from Windermere to Toronto, over icy, snowy roads a distance of 236.6 miles for only \$1.75. Why not learn, first hand, how pennies can take you how miles. Let us show you how this cleverly designed, practical, new Overland may save you from \$10 to \$15 every month.

GROWER VOTE SHOWS CONVINCINGLY THEY WANT "CENTRAL SELLING"

Now that the Okanagan fruit growers have overwhelmingly declared their belief that the sale of their crops will most advantageously be performed by a central sales agency, the decks are cleared for action.

Whether this action be taken with the aid and consent of the shippers or over their prostrate bodies, is for them to say.

So far as the movement for grower action has progressed, The Vernon News has studiously refrained from attempts to incite the growers. It has endeavored to present the facts in a fair and dispassionate manner and to obtain a pronouncement on a basis of a careful reckoning of the value of the methods so far followed and of those now proposed.

It would have been easy to lend encouragement to passions already partially aroused, but it is far more effective to obtain a majority vote after a cool and careful reckoning of facts and experiences. Such a vote makes a much deeper impression on governments and people.

The course of action to be taken, will be determined by the executive of the British Columbia Fruit Growers' Association. No doubt this body will in some manner consult with the shippers because many of them are not opposed, given certain safeguards. And all of them were willing, when in a jam, to take advantage of the benefits which may be derived from some of the methods which undoubtedly will be adopted.

In the event of unwillingness on the part of shippers to yield certain contentious points, recourse will be had to making contracts with growers. If this course has to be followed, it will be necessary to carry a flaming torch through the Valley and should this prove necessary The Vernon News, as always, will do everything in its power to assist the producers.

President A. K. Loyd and the members of his committee, rightly judged the temper of the fruit growers in the Okanagan. They held the belief that the growers are fed up on present methods of sale and merchandising the crop, and that given an opportunity for saying so they would make a most impressive pronouncement. Doubt had been cast on the numbers of growers favoring central selling. It was said that the annual meeting of the growers was not representative of the real feeling but was the expression of a noisy group in control. That ghost has been laid.

Previous to the decision to take a ballot as a first step, it was feared in some quarters that such a step would warn the shippers of the probable loss of lucrative business and being forewarned they would be forearmed. This ghost has also been laid.

As a result of the voting the growers are in a strong position. They have demonstrated their unity. They have said they want central selling and they have capable leadership. The men who are in charge have given convincing evidence of ability to match wits with the shippers. There is confidence they will not let the growers down. If the shippers correctly read the hand writing on the wall, there will be no need for a campaign for a growers' contract.

Under the conditions it would be folly to have anything less than a first class trial of the sale of the crop as though there were but a single owner of all the fruits.

Given this method for disposing of the crop, there will be full opportunity to test out many of the views concerning merchandising methods but nothing has yet been devised which will make a number ten foot fit comfortably into a number six shoe and it takes courage and patience to accustom a sick stomach to the value of centor oil.

LAW'S DELAYS ARE OF HELP OR HINDRANCE ACCORDING TO VIEW

ACQUAINTANCE with the law's delays is vexatious. The more complex becomes civilization the more obstacles appear to hinder and to slow down the processes of justice.

Last August charges were hurled that a combine exists in the sale of Okanagan fruits and vegetables. The charges were given wide publicity. They named certain firms and individuals. They cast doubt on the methods and procedure of people and business firms who occupy prominent places in the business life of four Canadian provinces. Lengthy delays occurred for one reason after another. At long last it was announced that F. A. McGregor, Commissioner under the Combines Investigation Act, would make an investigation. Mr. McGregor came to the Okanagan Valley and began the investigation. He worked day and night and so did his staff. They performed prodigious feats of labor. There is no reason to doubt they have been doing the same ever since.

Under date of March 27 a dispatch from Ottawa says that Mr. McGregor will now receive written argument by counsel on the evidence he took at Edmonton, Calgary, Regina and Winnipeg and it will be several weeks before he concludes his report on facts and conclusions and then it will be presented to the Minister of Labor, Hon. Norman Rogers. Following that, if the Commissioner finds that a combine exists, the Department of Labor will then forward the evidence to the Hon. Gordon Visner, Attorney General of British Columbia as the basis for criminal proceedings.

Easter

The age-old story of the resurrection
Is told from year to year;
Easter, with her white and golden beauty
In majesty draws near.

In these days, when the world around us
Is fraught with fear and dread;
What hope and reassurance is your message—
A Saviour risen from the dead!

So, once again we place the lilies on the altar,
O, may their symbol be
Hope, light, and peace to all this Easter morning,
And throughout futurity.

Ewing's Landing, B.C.

—MABEL JOHNSON

In the meantime, at least one of the organizations named in the charges ceases to exist. Costs have been piled up to a staggering sum and people and firms who may be perfectly innocent of wrong-doing, have been for months under the cloud which always hangs over those whose operations are under investigation by law enforcement officers.

If the law's delays accumulate in the next twenty years at the same speed as they have multiplied in the last forty, they will result in complete frustration. Men and firms will never be able to clear their names nor will those wronged be able to bring wrong doers to account.

For the past forty years, wittingly or unwittingly, lawmakers have complicated the processes of justice. It will take another twenty years at least to simplify and speed up the processes for securing justice, if there are no major upsets by Hitler, Mussolini, Japan, and the evil forces which have been unleashed in the world.

Men of good will everywhere look for the day when the administration of justice, its speeding up or slowing down is inexorably determined. That it is slow enough for the presentation of all aspects and swift enough that men bear in their mature lifetime the full consequences of their acts.

DO WE WANT TO GO IN FOR SUGAR BEET GROWING?

RECENT developments in the attempt to establish a sugar beet industry in the Okanagan Valley have caused some comment on the attitude of this newspaper.

The Vernon News has steadily and consistently refused to lend its columns to interest producers in growing sugar beets. Advertising offered has not been accepted at least until the identity of those behind the venture would be made known. This was not for fear of non-payment of the account. We are satisfied that payment would be forthcoming. But because this newspaper did not wish to raise hopes that information at hand indicated could not be fulfilled.

Some years ago, it was hoped to establish a tobacco growing industry. There seemed to be many reasons for the belief that it would be successful. There is no need to go into these now but it is sufficient to say that the Dominion Government appointed an official at the Experimental Station in Summerland to advise growers on cultural methods, suitability of soils, etc. Experimental plots were tried at several points. Many farmers lost heavily. The venture came to naught. Many owners of farm lands suffered heavy monetary losses.

Last fall a gentleman came to the Okanagan Valley from the sugar beet growing area in Alberta. His purpose, or one of his purposes, was to induce the apple growers of the Okanagan Valley to barter apples for sugar. His statements, and they were supported by other evidence, was that the sugar beet growers in Alberta where he came from, had to accept what appeared to be at least not a high price for their beets and then to take half their pay in sugar.

The Vernon News can see no point in lending its columns for the establishment of an industry here which has no better promise than appears to be offered by the growing of sugar beets. Not even the prospect of the establishment of a million dollar plant warrants raising high hopes in the minds of residents. Unlike the proposed oil refinery, it did not even appear too good to be true.

The Vernon News is not attempting to cast any doubt on the bonafides of the venture, nor to discourage any one in attempting to find crops which offer better returns. Indeed encouragement has been lent to pea growing, and raising of registered seeds after information has been secured by this newspaper which indicates that there is a profit for those whose lands are suitable and whose industry appears equal to the demands.

ARENA FIGURES ASTONISH ALL

FIGURES published last week that 40,889 persons had paid admissions to hockey games in the Civic Arena during the past three months, have been received with astonishment in several quarters. Probably Vernon people, close as many of them have been to activities in that centre, were surprised and delighted. In many other quarters the figures released by Superintendent Lockhart proved enlightening.

In some of the nearby cities where groups are working towards the building of arenas the figures were hailed with delight. They tend to confirm the belief that such enterprises can be operated without fear that they may lean too heavily on the ratepayers.

The fact that the Vernon arena paid all charges in the first partial year of operation, including interest, and sinking fund, and showed a balance for depreciation and replacement, and that more than 40,000 persons paid admission to hockey games, this winter, in addition to all the other activities, shows the part the arena plays in the life of this community. It also reflects most creditably on the arena Commission and management, and shows the immense amount of thought and labor which Commissioner Kinnard and associates must have given to this community enterprise.

SEEK HONOR FIRST, AND PLEASURE LIES BEHIND.
—CHATTERTON.

THE NEW HARVEST HAND

From The Vernon News Files

A very large volume of support is being shown in the city for adoption of the by-law to guarantee \$25,000 worth of Bulmans Ltd. bonds. A direct wire Thursday, April 11, 1939 service to Vancouver, Calgary, and Toronto stock markets is supplied by G. A. Hankey & Co. Ltd. The wire was connected this week and it is expected that satisfactory and continuous service will be given from today, Thursday—Vernon Board of Trade and Retail Merchants' Bureau are in possession of their new quarters in the L. & A. Building on Barnard Avenue. Secretary Combes moved in at the beginning of the month, and it is expected that the new office will be a real clearing house for community activities.—The Vernon Fruit Union has closed its onion pool and paid the splendid price of \$46 for each ton of produce.—Arrangements are completed for the banquet to be tendered G. M. McGee, K.C., by the Vernon Board of Trade, Friday.

A motor club, to be known as the Northern Okanagan Automobile and Good Roads Association, was organized by several car owners at a meeting in the Thursday, April 10, 1939 Vernon Club on Wednesday. The committee consists of Messrs. H. A. Heggie, K. W. Kinnard, W. E. Megaw, Stuart Martin, Vernon; A. E. Sage, Armstrong, and Walker and Hassard, Enderby.—Horace Garth returned on Monday from his period of war service and convalescence from severe wounds. Thomas Orchard, a resident of the Okanagan for 35 years, died at his home in Ellison. He was one of the very early settlers in that area.—An old landmark of the city is disappearing this week. E. Harris has purchased the lumber contained in the building on Tromsø Street which in the early days of the city was the first church built by the Anglican congregation here.—The first butter at the Vernon Creamery, the latest industry to be established here, was turned out on Saturday.

The Troubled Story of Memel

City of Memel, the latest territory to fall into Germany's hands. This fact accomplished after long discussion was allowed by an international commission. The League of Nations was withdrawn and Lithuania signed the Memel convention drawn up by a League commission. The Memel Convention of 1924 gave Memel semi-autonomous status with a Diet and a Lithuanian Governor. Constant troubles with the German-controlled Diet resulted and the pro-Hitler Berlin government frequently complained to the League and the four guarantor nations—Britain, France, Italy, and Japan, Russia opposed Poland's taking over Lithuania and Memel and yielding of the corridor to Germany.

Orliss arose a year ago when German and Polish troops massed on the Lithuanian border and a clash was averted by Lithuania yielding to Polish terms on rejoining the border. After the December elections in Memel, held on a "black-to-the-white" issue, which gave Germans 25 out of 29 seats, reversion to Germany was generally expected.

Versailles Treaty, Article 99, in 1919 transferred Memel from Germany to the League, which administered it for three years with a French garrison to maintain order. In 1922 the Council of Ambassadors took up the Memel issue and during the discussions Lithuania, having lost Vilna, its ancient capital, by a

Polish coup, took Memel by a similar coup in 1923 and ousted the French garrison.

This fact accomplished after long discussion was allowed by an international commission. The League of Nations was withdrawn and Lithuania signed the Memel convention drawn up by a League commission. The Memel Convention of 1924 gave Memel semi-autonomous status with a Diet and a Lithuanian Governor. Constant troubles with the German-controlled Diet resulted and the pro-Hitler Berlin government frequently complained to the League and the four guarantor nations—Britain, France, Italy, and Japan, Russia opposed Poland's taking over Lithuania and Memel and yielding of the corridor to Germany.

Orliss arose a year ago when German and Polish troops massed on the Lithuanian border and a clash was averted by Lithuania yielding to Polish terms on rejoining the border. After the December elections in Memel, held on a "black-to-the-white" issue, which gave Germans 25 out of 29 seats, reversion to Germany was generally expected.

The Royal Visit

When he reads of the plans being made by various official bodies for proper celebration of the royal visit, the average private citizen may thank his stars for his obscurity. If their Majesties planned to remain in Canada for a year it might be possible to arrange for every citizen to have an opportunity to demonstrate his or her enthusiastic loyalty. As it is, many communities and thousands of individuals will be deprived of the privilege.

The fact will not mar the visit as far as our guests are concerned. Every town benefited from a royal tour will understand that it is a matter of bad luck. Cheering crowds will greet the King and Queen wherever they go.

The recriminations will fall on the heads of those who arrange the tour. One can picture Ottawa state-aided already busily engaged with their slide-rules and tables of population, calculating that if Toronto, for example, is entitled to eight and one-quarter hours of the visit, Squashville is entitled to three-quarters of a second. But, when they total their results, they find that they still add up to several months. So they resume their calculations with the knowledge that whatever decision is reached, many places are going to be offended.

With malice toward none, The Printed Word asks its readers to remember the old Western saloon sign, "Don't shoot the pianist, he's doing his best."—The Printed Word.

The Pathetic Fallacy

A man at 40 is at the cross roads. He finds himself in business or professional life in a position he has striven for since leaving college. Through the past decade, through depression and relative affluence he has struggled for his place in the sun. Time and energy have meant nothing, his ambitions must be realized. What difference if he no longer had time for his regular exercise?

When he makes his pile he will have plenty of time for all that. He acquires a bigger home, a bigger car, a bigger family and last but not least a bigger wastebill. He no longer has time for regular exercise, so he takes it all at once. He plays 36 holes of golf on Sunday or spends Saturday afternoon in the handball court and thinks he has made up for the past week. He probably has—and with interest.

On Sunday he exercises greatly to rid himself of the burden and when he puffs and blows remarks about his poor condition. This is the picture of the modern business and professional man. It is not the picture of the successful American male as portrayed on the screen, an affluent, good-natured, obese individual with a great weakness for blondes.

No, this is just hard-working John Smith or Bill Jones who is the backbone of the nation and with whose health we have become unduly concerned.—Dr. J. Roscoe Miller, in The Kwantia Magazine.

As I See It

By Elmore Philpott

As I write these words the world is waiting for Hitler's reaction to Britain's warning that she will come to Poland's aid if the latter is attacked by Germany. Leaders of the Canadian parties have already made clear in Parliament that Britain is again engaged in war. Canadian forces will be ready to help. The whole business sounds ominous like 1914 all over again to me. And while I still think that the real test is more likely to come next year, rather than now, I do believe that it is absolutely necessary for us to begin to think about the terms on which we are going to fight if we have to fight.

Under no circumstances should we send a single Canadian soldier or spend a single Canadian cent on a war in Europe unless we know precisely what the war is for. Never again should thousands and thousands of our best boys be led out blindfold to battle as we were led out from 1914 to 1918.

For not one single purpose for which we were said to be fighting was fulfilled. We did not win a war if it was to end war. We did not make the world safe for civilization. We did not make a thousand years of democracy. We did not, as M. Thoreau has eloquently said, fight on "till Belgium has recovered all that she has lost . . . and until the smaller nationalities of Europe are placed upon an unassailable foundation."

Never in modern times were small nations so unprotected from attack as now. And the irony of it all is that the British Prime Minister after having helped to smash 14 pieces of the defence system which maintained a balance of power in Europe until the Munich pact is now frantically trying to pick up some of the fragments again to place them together in some kind of a defence system to replace that which was handed over to Hitler when he got the keys to Czechoslovakia.

No, we did not win the war, if we judge by any aim for which we said we fought. But what is of equal importance we did not lose it. At least we have not lost it yet. For behind all the slogans coined by the politicians was the chief reason of all.

The basic reason why millions of free men came from all corners of the earth and went through hell for months and even years was because all of us could understand that the Prussians were out to dominate the world by force. They came within a hair's breadth of success.

And in spite of everything that has happened in the past twenty years we have at least this consolation. The peace that was made at Versailles was a rotten peace which could never give the world stability. But it was a magnificent peace as compared with that which the Kaiser would have dictated from the same place.

If we know deep down in our hearts that we were sold out by the statesmen at Versailles, no less than the Czechs were sold out last fall, we also know that we have not lost the freedom which our forefathers gradually won, at a very real cost, over a period of some seven hundred years.

What good will it do us to fight Germany again, and beat her if we can again, unless we know that we are not going to be betrayed after the next war as we were betrayed after the last? For we were betrayed no less than were the Germans. They surrendered on the specific promise of President Wilson's Fourteen Points—the two chief of which were no annexations and no indemnities.

There were more annexations and the indemnities levied was so absurd that when the debts to postpone its results were finally halted in 1928 we had the subsequent great slump on the stock market and the great depression of this decade.

Those who had been the very soul of the free world's effort since 1914 to 1918 felt most deeply the Great Betrayal of Versailles. People talk about the mystery of the late T. E. Lawrence, the genius of the Arab uprising against Turkey, and a man who did as much as any other single being to win the war in the narrow sense in which it was won. There was no mystery. It was simply that Lawrence was heart broken over a peace to The Seven Pillars of Wisdom he summed it all up in a few words, thus:

"We were found together, and there were here memories of the sweep of open places, the taste of the wide winds, the sunlight, and the hope in which we worked. It felt like morning, and the freshness of the world to be intoxicated us. We were wrought up with ideas inexpressible and vaporous, but to be fought for."

"We live many lives in those whirling campaigns never sparing ourselves any good or any evil. Yet when we achieved and the new world dawned the old men came out and took from us our story, and remade it in the likeness of the former world they knew. . . . We stammered that we had fought for a new heaven and a new earth. They thanked us kindly and made their peace."

That is why, even now with the inevitability of war accepted on every hand it seems more important to me to prepare for peace than to prepare for war. I do not mean that we should not fight if we have to but I do mean also that we should know what we are fighting for, and we should know it in advance. We should get it in writing and it should be signed, sealed and delivered.

When my generation went up to enlist in the last war we simply swore an oath to be faithful to King George and his heirs and successors. We were in it for the duration of the war and six months afterward. Of course the idea was that we were supposed to be fighting Germany. In those days Russia was our greatest ally.

Whenever things looked too black for western front strategy, we used to come from somewhere and tell us that the mighty Russian military steam roller was about to bear down some place or other. It got to be a joke. But as a matter of fact the man crusher did work wonders although I personally did not know it till long afterwards. When I had a chance to look up the histories. Then something happened and the Russians had a revolution. It began to have strange consequences. For the Germans began to bring divisions no longer needed in the east to fight in France. And we started to send troops to Russia for a strange purpose then called "reconstituting the eastern front."

What it meant before it was what we were fighting the Russians our former allies on no less than fourteen different fronts.

Anyway boys, if you do decide to go to war, don't forget to keep your records in writing. I have spent a good deal of time in the past twenty-one years fighting for pensions for men who served with me in the field artillery.

That's why I say to the youngsters, go if you feel you should go. But don't go blindfold. Make them tell you exactly what you are fighting for.

ESSENTIAL FACTS ABOUT SCIENTIFIC FERTILIZATION

Don't buy a fertilizer just because it is a fertilizer and expect it to give a maximum increase of better-grade crops; it may not be the correct fertilizer for your purpose.

Varying soils will require varying proportions of the best standard fertilizers to give the greatest amount of nourishment. This can best be determined by soil experts. When Elephant Brand Fertilizers are recommended you are certain to obtain superior chemicals which are imperative to profitable fertilizing programs. Another Elephant Brand product is Mono-Calcium Phosphate, a highly concentrated and purified mineral health food for all classes of live stock, especially recommended for dairy cows.

OCCUPATIONAL CLUB FORMED AT GRINDROD

Organization Is Outcome Of Rural Occupational School Attendance

GRINDROD, B.C., April 3.—Several young people attended the Rural Occupational School held in Salmon recently, and came home well pleased with the time spent and also with the idea of forming a Young People's Club. The organization meeting was held on Saturday evening. Some 30 young folks attended and the ideas of the club were discussed; home crafts, handicrafts, first aid, agriculture, will be the subjects to be taken up. Mrs. Wolfe was elected president, and Blanche Tomkinson secretary. There are to be two meetings a month during the coming summer and it is hoped to be able to have one during the winter season. The fees are reasonable and the idea good and deserves the support of everyone.

At St. Paul's Church during the afternoon service the Rev. W. B. Irwin officiated at two christenings. The sponsors for the daughter of Mr. and Mrs. John Pritchard, "Marion Katherine" were Mrs. W. A. Monk, Molly Strougar, and Robert Strougar, and those standing for "Ileana Shirley", daughter of Mr. and Mrs. W. A. Monk were Mrs. W. K. Finlayson, S. D. Finlayson, and Colin Pritchard.

Mary Harrischuckle fell on Saturday for Barrie, Ontario, where she has employment.

Lawson Strougar spent the week end in Vernon on business.

Mrs. S. D. Finlayson, of Sicamous, spent the week end at the home of her mother, Mrs. W. Monk.

John Anichowski returned home from Vancouver this week after spending several weeks there.

George H. Wells was a visitor to Enderby on Saturday.

RICHLAND NEWS ITEMS

RICHLAND, B.C., April 3.—Mr. and Mrs. C. Montgomery and Mrs. Chris. Rinehard have returned from a visit to northern Saskatchewan.

Miss Katy Singer has returned from Vernon, where she had been called by the serious illness of her mother.

Murray Anderson, of Vernon, is visiting at the McLaren home.

Artho. S. Myers has been appointed Junior Forest Warden for the Richland district.

Friends will be sorry to learn that Mrs. E. A. Rennie is quite ill at her home here.

A very successful dance was held at the Cherryville Hall, last Saturday night, with a good crowd in attendance. A good sum was raised by an "auction sale."

Oliver Independent Growers Demanding "Central Selling"

If Scheme Is Not Supported Fruit Will Not Be Allowed Through

OLIVER, B.C., April 1.—Twelve out of fifteen growers shipping through an independent house in Oliver have refused to allow their fruit to go through that packing house unless that firm is in favor of Central Selling. This was disclosed at a meeting held in Oliver on Wednesday evening, March 29, in the Legion Hall. The meeting was called by the local B.C.F.G.A. for the purpose of discussing the proposed Central Selling plan in order that growers would have a clear conception of the issue before making their ballot.

"The only way to break the stand taken by the independents," said A. E. Bonnett, "is to refuse those independents the right to handle the growers' fruit."

Furthering Mr. Bonnett's remarks, George Chubbie said that the independents claim they have control of approximately 30 percent of the fruit in the valley. "This might have been so," according to last year's figures," he said, "but the case is altered this year as growers are not going to support the independents' houses which are bucking the Central Selling plan. At least, he said, there are a number of growers who are standing firm in agreement with Central Selling and have forwarded their ultimatum to the independents packing houses."

Albert Millar outlined in detail the proposed Central Selling plan and clearly defined and interpreted the various points and terms included in the plan.

The plan which the Central Selling committee has presented to the growers for their consideration was not evolved on the spur of the moment, it is the result of combined effort and thought, he submitted.

PLAN OUTLINED
The plan aims at giving this district, i.e., the whole of the Okanagan and Kootenay fruit growing areas, a single marketing organization. This means a fair and square deal to the producer. This plan takes into consideration one man only, that man being the grower. There is no compulsion attached to this plan. The grower is free to have his fruit marketed as he wishes, whether he likes it or not. It is a voluntary plan for the growers to whom it gives that long sought for opportunity to take complete control of their own affairs, so that they may run the industry in a business-like and efficient manner.

Mr. Millar cited a circular letter distributed by certain members of the new Co-op. group, and said that it is stated that Central Selling may be considered illegal, but just why it should be illegal for growers to decide to open a central office is questionable. Central Selling is in fact collective bargaining which is being advocated throughout the entire commercial world today, including labor.

Central Selling, said the speaker, will certainly place growers in a position of being in control of their own affairs instead of being merely pawns as is the case today. There is one thing those shippers who are opposed to Central Selling forget, that is, if there were no growers there could be no shippers. Produce is the first essential and shippers merely a secondary consideration. Is it not time after all these years of decreasing prosperity that the growers take the reins and exercise their right of bargaining power? Surely the man who produces something has a right to dictate how it is to be disposed of. This new shipper group is definitely challenging the growers' right to deal as he sees fit with his own property, and after all growers to represent them by the B.C.F.G.A. convention, who voted almost unanimously for Central Selling. Therefore, Central Selling is the wish of the growers.

VOTE OF CONFIDENCE
A hearty vote of thanks was accorded Mr. Millar for his address and also for the work he has done during the past year to further the growers' interests. George Mabey in moving the vote of thanks also stated that the meeting should go on record as endorsing a vote of confidence in Mr. Millar and the work he has done on the Central Selling Committee.

In reply Mr. Millar said that the growers are indebted to the B.C.F.G.A. for the untiring effort which has been displayed by that body in an effort to reach a solution to the marketing problems which have confronted the growers. He said that the B.C.F.G.A. has been the forum through which the growers have been able to express their opinions and to meet the demands of the growers that body has worked unceasingly to attain the best possible method of marketing the growers' products and ultimately to return to the grower the most money for those products.

Following his address Mr. Millar answered questions regarding the Central Selling plan. Discussion regarding the selection of a general manager ensued. The meeting favored the selection of a general manager from outside rather than one from the valley although the general opinion was that the committee in charge would use the utmost of discretion in this matter. It was pointed out that there would be certain jealousies from quarters thinking that the man would favor the particular part of the valley from which he came.

HIGH SCHOOL PLAYS GIVEN AT SUMMERLAND
WEST SUMMERLAND, B.C., April 2.—The plays which the High School students gave last Friday evening were up to a uniformly high standard in finish and dispatch.

The first play was "The Princess and the Woodcutter," by A. Milne, and the cast included Betty Thierstein, Betty Duncan, George Inek, and Ian Loomer, Donald MacDonald, and Warren Thierstein. The whimsical touch of A. A. Milne was brought out well by the directors, Mrs. Berry and Mrs. Macdonald, and by the considerable versatility shown by the young actors. Costumes of a long ago fairy tale world and woodland scenery were fresh and charming.

"Ace, King, Queen," by Dorothy Carr, directed by Miss Ruth Tipping, was amusing, smart, and modern. The lines were in verse. The scene was laid on the centre court at Wimbledon, and those in the cast were Claudia Borton, Joan Nisbett, Jenni McPherson, Audrey Wright, Charles Verrier, Lloyd Garfield, Ian Loomer, Andrew Clark, Frank Davis, and Donald Johnson. A crowd of students were spectators at the game.

The third play, "A Night At An Inn," by Lord Dunsany, was directed by Miss K. Ruthford, and the cast consisted of eight boys, Peter Dodwell, Lorne Davidson, Robert Verrier, Minoru Kita, Charles Pearson, Katsumi Imayoshi, and James Mayne. Music at intermissions was supplied by piano solos and a piano duet by Allen Elsey and George Inek.

SUMMERLAND PIONEER SUCCUMBS TO ILLNESS

WEST SUMMERLAND, B.C., April 2.—The death of A. B. Elliott occurred at Summerland Hospital on Monday evening, March 27, aged 70 years. The late Mr. Elliott had been ailing for some time.

Mr. Elliott came to Summerland with his family in April, 1908, from Advocate Bay, Nova Scotia, and since that time has engaged in the general store business, first at Summerland, and then at West Summerland, where he opened a store in 1912, and carried on the two stores until his retirement in 1935.

In politics he was a Conservative, and for many years president of the South Okanagan Conservatives. He was a member of the Orange Lodge, the Knights of Pythias, and the Independent Order of Foresters. He is survived by his widow, a daughter, Mrs. C. Rive, of Vancouver, and three sons, Keith, who is carrying on the business here, which his father started, Kenneth, and Rhodes, who both practise law at Vancouver. Marvin Elliott of Windsor, Ont., is a brother, and Mrs. L. H. Hill, of Halifax, N.S., a sister. Funeral services were held from the United Church, West Summerland, the Rev. W. R. Ashford, and the Rev. John Scott, officiating.

BOB BURNS HAS FIRST STARRING ASSIGNMENT

A moving and human picture of small town America, is given in the new Bob Burns film, "The Arkansas Traveler," which comes on Wednesday and Thursday, April 12 and 13, to the Capitol Theatre.

For his portrayal of that colorful American figure, the fighting editor of the country newspaper, Burns takes his place alongside the interpreters of native characters. Although he is at all times Bob Burns, he is also always the homespun countryman—when he rides the rails with his brother-hoboes, edits a local newspaper to help a lady in distress, promotes a romance between two uncertain young lovers and cleans up politics in the face of powerful opposition.

Playing a mother role as she alone knows how, Fay Bainter is the courageous woman for whom Burns sticks to "the Traveler."

Don't take chances on products you know nothing about or rely on temporary relief when there's need of a good general system tonic like time-proven Lydia E. Pinkham's Vegetable Compound, made especially for women from wholesome herbs and roots.

Let Pinkham's Compound help build up more physical resistance and thus aid in gaining jangly nerves, lessen distress from female functional disorders and make life worth living.

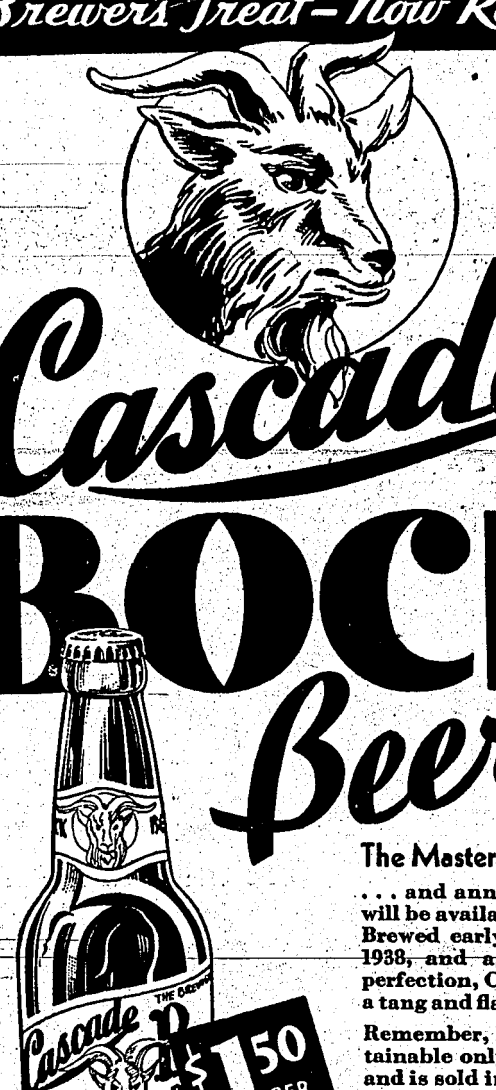

For over 60 years one woman has told another how to go on smiling thru "Pinkham's"—over 1,000,000 women have written in reporting glorious benefits—it MUST BE GOOD!

OSOYOOS CUSTOMS TO OPERATE EXTRA HOUR

KELOWNA, B.C., April 3.—The public travelling north and south across the border at Osoyoos will be accorded one hour extra service this summer, the Kelowna Board of Trade has been advised by Ottawa. The customs port at Osoyoos will be open from seven a.m. to twelve midnight between May 1 and October 31. This innovation is contingent upon the United States customs adopting the same hours. The one hour extra service comes between the hour of eleven p.m. and midnight.

IF there were no Life Insurance

IF there were no life insurance, millions of Canadian citizens would dread the future. Many men would be powerless to protect their loved ones. Thousands more families would be "on relief".

Fortunately there IS life insurance—and Canadian families can face the future unafraid. Through their savings in life insurance, men and women (1) guarantee financial security for their families; (2) provide funds for the education of their children; and (3) protect their own old age.

Each and every working day, policyholders and their beneficiaries in Canada receive more than Five Hundred Thousand dollars from their life insurance savings.

And more than Two Billion Dollars of life insurance money is invested in the Dominion—contributing greatly to the stability and progress of all Canada.

**Fiery, Itching Skin
Gets Speedy Relief**

Here is a clean, stainless, penetrating anti-
septic now dispensed by chemists at trifling
cost, that will bring you speedy relief from
the itching and distress of Eczema, Dermatitis,
Tooth and Foot, Rash and skin trouble.
Not only does this great healing antiseptic
oil promote rapid and healthy healing of
open sores and wounds, but it also and
easily relieves the itching and burning of
Eczema. It is instantly "stopped" the eruptions
dry up and scale off in a very few days.
The same is true of other skin eruptions.
You can obtain this remarkable oil (all
strength) in the original bottle or in small
modern drug stores.

THREE-ACT COMEDY GIVEN AT RUTLAND

"He's My Pal" Presented By
Young People's Drama-
tic Club

RUTLAND, B.C., April 3.—The
Young People's Dramatic Club pre-
sented a very delightful three-act
play, "He's My Pal", on Thursday
evening, March 30, in the Commu-
nity Hall. The play was under the
auspices of the Women's Association
of the United Church and was very
well patronized. There was a large
cast of no less than 12 characters,
all of whom had fairly substantial
parts. Those taking main parts
were Ernie Gibson, Helen McDoug-
all, Fred Brummer, Miss Doris
Schell.

The plot was not particularly un-
usual, but there were plenty of
humorous situations and amusing
dialogue and the performance pro-
vided a very pleasant evening's en-
tertainment. The story of the play
concerns the love affairs of two
young people, "Wally" and "Lark".
The Rutland Amateur Dramatic
Society's Little Symphony Orchestra
provided spirited music for the
overture and during intermission.

W. H. Wilson has disposed of his
20-acre orchard on the upper bench
to J. Diebert, of Kamloops, and
John Holitzki, Jr., of Rutland. The
Wilson family will take up residence
in Kelowna shortly. Mr. Wilson's
health has been indifferent, and ne-
cessitated the move.

The scholars of Mr. Webster's
room held an enjoyable cycle trip
to Okanagan Centre on Saturday,
April 1.

District Commissioner E. C. Wed-
dell was a visitor to the meeting of
the Rutland Scout Troop on Friday
evening, and presented a number of
badges. Special "investiture" cere-
monies were held, and ten new re-
cruits were sworn in as members
of the troop.

Dormant spraying has commenced
in the district, but is not being done
as generally as last season.

**STOCKMEN IN RALLY
AT OKANAGAN FALLS**

OKANAGAN FALLS, B.C., April
3.—Anyone passing the Community
Hall at Okanagan Falls Tuesday
afternoon, March 21, might have
thought that an old-timers' reunion
was in progress.

Stockmen from Keremeos, Allen
Grove, Summerland, Four Mile, Pen-
tiction, White Lake, Oliver, and
Okanagan Falls attended a meeting
called to discuss ways and means
of amending the Brand Act so as to
give greater protection to stockmen.

Six stockbreeders' associations
were represented. Provincial Con-
stantine Stewart, of Pentiction, Ste-
wart, of Keremeos, and Shilohs, of
Oliver, and C. Perrin, district ranger
of the Forest Branch, were present.

Many suggestions and resolutions
were brought forth and finally boiled
down to three or four recom-
mendations for amendments to the
Brand Act. These will be forwarded
to the recorder of brands.

Several other matters pertaining
to the livestock industry were dis-
cussed. At the close of the meeting,
R. N. Atkinson, of the Four Mile
Stock Breeders' Association, moved
that the meeting be made an annual
event, and he felt much good had
been accomplished.

Mr. Parham, of Vasseaux Lake,
in seconding this motion, said that
about the only other occasions at
which he could recollect seeing so
many old-timers together were fun-
erals. He thought it would be more
helpful to meet while alive. The
motion was passed unanimously.

J. R. Christie, chairman, thanked
the provincial policemen and Mr.
Perrin for the interest they were
showing in the stockmen's affairs.

Ian Brown, of Oliver, acted as
secretary of the meeting.

**WINNERS SELECTED IN
MARA BADMINTON PLAY**

MARA, B.C., April 3.—An Amer-
ican tournament was held this week
by the Mara Badminton Club, from
Friday to Sunday. Prizes went to
Miss Connie McGittigan and Mrs.
Bertha Paterson, ladies' doubles;
Mrs. Paterson, ladies' singles; Eric
Rosenman and Jules Callens, men's
doubles; Bob Robertson, men's sin-
gles; Philip Witala, boys' singles;
Clifford Harkness and Bert Cadden,
mixed doubles.

Jack Pearson, of Kelowna, was a
visitor to Mara last week, while en
route to Kamloops on business.

Jules Callens is busy these days,
hauling ties to the C.P. siding, from
his mill.

The monthly meeting of the Mara
Women's Society was held last
Thursday afternoon at the home of
Mrs. J. A. Crawford, with a good
attendance. Tea was served during
the afternoon by Mrs. Crawford and
Miss Cadden.

Mrs. E. A. Robertson and Freddy
went to Okanagan Landing last
Wednesday, where they will reside,
while Mr. Robertson is at work there
in the C.P.R. shipyard.

**CHORAL SOCIETY AT
ARMSTRONG PRESENTS
CHARMING CONCERT**

ARMSTRONG, B.C., April 3.—
The concert given by the Arm-
strong Choral Society in the Rec-
reation Hall, here recently, was
thoroughly enjoyed by an apprecia-
tive audience, which heartily ap-
plauded every item on the pro-
gram. The Vernon High School Or-
chestra, under the leadership of
Miss Jameson, in the opening over-
ture gave a good start to the con-
cert, giving a really fine rendering
of the selections chosen and of the
items played during the intermis-
sion. The soloists, Mrs. J. Jamieson,
Jr., Miss Violet Horn and Miss H.
Cryderman, of Vernon, were all
heard to advantage and were heart-
ily applauded, especially Miss Cry-
derman for her fine songs of "Angus
MacDonald," and "My Ain Folk."

The choruses by the Choral Society
were marked by precision and the
attention given to the marks of ex-
pression was very noticeable. The
numbers given by the Ladies' Choir
were particularly well sung and the
work of all the choruses reflected
great credit on the training that
had been given by the conductor,
R. J. Garner. Mrs. B. R. Neal, who
acted as accompanist, filled her
part in a most efficient manner.

Golf Season Opens This Week: Active Program Is Planned

Nangle Cup Competition On
Friday—Other Events
Scheduled

The Vernon Golf Club's opening
for this season is scheduled on Fri-
day, when the Nangle Cup, 18 holes,
medal round, four-ball on handi-
cap, will be played. In the after-
noon mixed foursomes will be
played.

The ladies' section of the club
will hold its opening on April 18
with a captain versus vice-captain
competition. Following are the club fixture
cards for the ensuing season.

MEN
April 7, Nangle Cup, 18 holes
medal round, four-ball on handicap.
Afternoon, mixed foursomes. April
16, match, president vs. captain.
April 20, entries close for Vernon

vs. Salmon Arm at Salmon Arm.
July 1, Vernon Day.
September 4, Hotelkeepers' and
Richard Arlen Cups at Revelstoke.

September 5, entries close for Dug-
ald Gillespie Cup, mixed two-ball
on handicap. September 10, fall
opening, sweepstake. September 24,
inter-club match, Salmon Arm vs.
Vernon at Vernon.

October 1, inter-club match, Ke-
lowna vs. Vernon at Vernon. Octo-
ber 8, Waterloo Cup, two-ball mixed
foursomes on handicap.

LADIES
April 18, opening day, captain vs.
vice-captain competition. April 28,
entries close for Jacques Cup (sen-
ior), B.C. Shippers' Cup and Whit-
ten Cup.

September 8, entries close for club
championship and Wilmot Cup.
September 16-17, Interior Cham-
pionship at Princeton.

SILICA SHIPMENTS
OLIVER, B.C., April 1.—Another
shipment of silica is being made to
the Trail smelter from the Consoli-
dated Mining & Smelting Company's
property at Oliver, less than a mile
north of town. The Interior Con-
tracting Co. of Pentiction have the
contract to ship the silica. The
contract calls for 250 tons.

May 7, inter-club match, Vernon
vs. Pentiction at Kelowna. Kelowna
vs. Kamloops at Vernon. May 9-10,
Fruit Shippers' Tournament at Pen-
tiction. May 21, Spalding Cup at
Salmon Arm. May 24-25-26, Interior
Championship at Kamloops. May 28,
Canadian Legion Day.

June 1, entries close for Watkin
Cup. June 4, Trench Trophy at
Kelowna. June 11, Coldstream Cup,
club championship, 18 holes to
qualify. June 18, inter-club match,
Kamloops vs. Vernon at Vernon.

June 16-17-18, United Commercial
Travelers' Tournament at Nelson.
June 25, inter-club match, Vernon

JACK COULTER HEADS KAMLOOPS BOXLA CLUB

Four-Team City League Plan-
ned To Operate For
Coming Season

KAMLOOPS, B.C., April 3.—J. E.
"Jack" Coulter, was elected presi-
dent of Kamloops Lacrosse Associa-
tion at the annual meeting in Plaza
hotel Tuesday evening. Some 70 en-
thusiasts and players were present.
Mr. Coulter succeeds J. D. Mc-
Dougall, who refused a second term.
The 1939 vice-president is William
Brennan, John J. Collins is the new
secretary. Jack Leitch will be as-
sociation treasurer in 1939, succe-
eding Robert J. White. The executive
will be comprised of the elective
officers and a representative from
each affiliated team.

J. C. "Joe" Hall, sparkplug of
Kamloops Klippers, 1938 interme-
diate champions of British Columbia,
and the man who is responsible for
boxla's growth here, was honored by
the meeting. By formal resolution he
was, unanimously, made a charter
life-member.

The Story of GIL and WIL and the HOUSES they built

This is the story of Gilbert Good and Wilbur
Wood, each of whom built a house from the
same plan. But, let us follow their experience
down through the ensuing years.

1939

Wil thought he would save \$65 and
did not use Duroid Shingles.
But he didn't really save that much
because it cost him \$25 right-off-
the-bat to have his roof painted.

Gil's house cost \$65 more than Wil's
because Gil had the builder put Duroid
Seal-Dipt Asphalt Shingles on
the roof. They were a beautiful color
and did not need to be painted.

As Time Went On

Wil found he also had to pay a
higher insurance rate and still lost
a lot of sleep because when he went
to bed he would wonder if his roof
was on fire.

Gil paid a lower fire insurance rate—
he had fire-resistant shingles on his
house—and slept well at night be-
cause he was not afraid his roof
would catch fire.

1943

Wil's roof by this time was looking
dull and shabby, so he whacked out
\$35 to have his roof repainted.
Secretly, he eyed Gil's roof with
envy.

Gil's roof still looked as fresh and
snappy as the day his house was built
away back in 1939 because Duroid
Shingles NEVER need painting.

Finally

Wil's roof began to leak, so he broke
down and bought a Duroid Roof
too—they simply nailed it on right
over his old, worn-out roof.

While Gil packed all his grand-
children into the car and took them
for a nice holiday all through the
country because his house did not
need a new roof.

REVELSTOKE SKI CLUB IS HEADED BY RUTHERFORD

REVELSTOKE, B.C., April 3.—At the annual meeting of the Revelstoke Ski Club, recently, Craig Rutherford was re-elected president and all the officers assisted him in the staging of the Western Canada Ski Championships last month. The other officers are: vice-president, Carl Gunnarson; secretary, George Wells; treasurer, A. A. McCloy; slalom and downhill captain, Don McCrae; jumping captain, Gunnar Gunnarson.

Skiers who were entered in the jumping championships of the big tournament will receive their dollar entry fee back because of the inclement weather at that time forced the abandonment of the ski jumping events. The meeting was unanimous in deciding to make the refund. The move will reduce a credit balance by approximately thirty dollars, leaving the club a profit of slightly over \$100 on the season's operations.

The meeting also decided to boost the membership fee from fifty cents to one dollar, the contention being that the club had reached a point where its facilities were worth the additional fee.

ENJOYABLE SOCIAL AT HEMBLING HOME

OYAKA, B.C., April 3.—On Wednesday, March 29, a very enjoyable social afternoon was held at the home of Mr. and Mrs. O. W. Hembling under auspices of the United Church Ladies' Aid. About 50 guests attended and were entertained by a program of music. Mrs. Beatson Smith opened the program with a piano solo, and Mrs. T. Tait followed with two vocal solos which showed her clear fresh voice to advantage. Margaret Getty and Rosemary Darville also sang some very acceptable numbers. The tables were decorated with white spring flowers, and Mrs. Jack Peters and Mrs. Young poured tea. There were many visitors from Vernon and Winfield.

V.I.D. Annual Report

(Continued from Page 1)

the city is used for farming operations. None are dependent on farming for a livelihood and the city services are mostly for ornamental gardens. The trustees would like an expression of opinion from the taxpayers for their guidance in this matter, the report states.

Last November a writ was issued against the district by A. deJardin, through his agent, George Heggie, claiming some \$3,675 damages by reason of the alleged failure of the district to construct and maintain adequate works for the delivery of water to those lands generally known as the L. & A. Ranch. Legal advice was of course obtained and following it, the allegations have been denied, the trustees say in their annual report. The trial is expected to take place in June, "and as the point raised deals with a principle vital to the operation of the district, the trustees feel that there is no alternative but to protect the interests of the taxpayers as a whole."

A tax sale was held in December, including some 445 acres. About 415 acres reverted to the district, of which 212 acres were grade "A." Altogether the greater quantity of reverted lands is composed of the West 1/2 of Sect. 26, Tp. 9, formerly owned by the Soldier Settlement Board. These lands are under lease until March 31. These lands, in common with all reverted lands, are not eligible for water service in the future.

As proposed at the last annual meeting, a low tax rate has been put into effect and the toll rate raised accordingly. This results in a greater charge on orchard and vegetable lands with a corresponding reduction on other lands which use little or no storage water. The flood rate for the Preferential Area is set by the Letters Patent at one tenth of the storage rate, and the district was made double the preferential rate. Flood water for 1938 was carried as long as possible. By May 30 the supply had become to-

tally inadequate and storage was authorized to be drawn.
The Letters Patent provide that the owner must bear the cost of works necessary by reason of lands being divided into parcels of less than 40 acres after June 1, 1920. The area at the north easterly end of Swan Lake falls in this class and none of this area has more than what might be termed the most sketchy distribution system, the report continues.

Two meetings were held with the committee appointed at the last annual meeting with respect to cancellation of 1935 and 1936 taxes.

WASTE OF TIME
Every attempt to have this brought about has been definitely refused and we are of the opinion that it is a waste of time to carry this matter any further," says the trustees.

The report of the General Manager and Secretary, G. C. Tassie, comments on the fact that the 1938 season was a "particularly trying" one due to the abnormally dry year and the consequent large demand for water. The lack of capacity of the main canal was emphasized under such conditions. It is pointed out, however, by Mr. Tassie, "that if the water losses in the whole distribution system were reduced to a reasonable amount, it is my opinion that we do not have to seek more storage."

Reference to the approaching season the report says that "the snow fall is very deep with a large quantity of moisture and it is anticipated that all reservoirs will be filled before the 1939 season commences."
The reconstruction of the failed Paradise Dam, authorized by the users last fall, will make this stream available for 1939, and every means will be taken to insure that Aberdeen Lake is filled.

Details are given of replacement work during the past year in this report.

The financial statement shows that total disbursements for the year ending March 15 last were \$75,946. Administration expenses were \$6,681, repairs and maintenance \$9,151, reconstruction \$41,133.

On the receipts statement, 1938 taxes are shown as \$7,589; tax arrears \$48,952; tolls \$8,811.

STUDENT PLAYS ARE WELL RECEIVED BY KELOWNA AUDIENCE

General Ability Of Youthful Artists Applauded After Presentations

KELOWNA, B.C., April 3.—Three one-act plays were presented to two large audiences at the Junior High Auditorium on recent evenings by the Kelowna High School and they proved to be of a calibre which would have brought credit to performers of mature years in age and experience. Every detail of the three short plays had been worked out with great care and the large audiences showed their appreciation with prolonged applause.

Variety of cast and character of plays, excellence of costumes and lighting effects and the general ability of the young actors and actresses combined to make the three plays pleasurable, and a great deal of credit was given Miss M. Cunniff, who directed the plays.

Outstanding presentation was the tragedy, "Campbell of Kilmohr," by J. A. Ferguson. Alec Watt, as Campbell of Kilmohr, was the outstanding performer of the evening, who tricked an innocent little Highland lassie into revealing the hiding place of Bonnie Prince Charlie, on the presumption that her sweetheart would be saved from hanging.

The evening's performance opened with presentation of an amusing farce, "A Husband for Breakfast," by Ronald Elwy Mitchell. It centred in a cottage in a remote Welsh village and starred Wilma Jenkins in the role of Aholiab Jones, who had been sold by her worthless husband in a drunken revelry. Wilma Jenkins and Lorne Matheson were the top performers in this play which was racy and light, causing many a laugh.

Characters of the third play, "The Wonder Hat," a Harlequinade, were traditional figures of the stage, including Harlequin, Pierrot, Punchinello, Columbine and Margot. It was a modern version of one of their many escapades.

The high school girls' glee club gave several fine selections at intermissions, led by the conductor, Miss Audrey MacLeod. Rex Marshall played two piano solos as another feature of the entertainment between plays. Eugene Ryan, one of the four pupils chosen to make the trip to Vancouver to see the King and Queen delivered a short talk on the prospects of his trip.

SALMON VALLEY MAN LOSES TRUCK IN FIRE

SALMON VALLEY, B.C., April 3.—E. A. Hallam, last Wednesday evening had a load of straw on his truck, and the straw suddenly caught fire. The load was entirely burned, and the vehicle is a total loss. Fortunately the truck was insured.

Mr. and Mrs. E. G. Wilson and family, who have been residing at Silver Creek for the past two or three years, moved last week to the Bench, and have settled on the homestead which formerly belonged to the late J. McFadden. Mr. Wilson intends to make a permanent home there.

A. J. Heywood and son made a trip to Kelowna last week on business.

John McQueen arrived in the valley last Sunday from his home on the prairie, and intends to remain for the summer months.

Mr. and Mrs. A. J. Heywood and Nancie were visitors in Vernon last Wednesday.

Miss Lena Mater spent a few days visiting at the home of Mrs. Bigger of Armstrong, last week.

A. C. Pryce left on Wednesday for Vernon, where he entered the Jubilee hospital, to receive medical attention.

Dr. Hugen, of Enderby, was called out to the valley on Thursday to visit C. H. Gamble.

Miss Irene Fritchard, of Armstrong, spent the week end with her sister, Mrs. Art Walte.

SALMON ARM FORMING STRONG BOXLA SQUAD

Tom Middleton Is Choice Of Club For Presidency This Season

SALMON ARM, B.C., April 3.—The Box Lacrosse meeting held last Tuesday evening, March 28, showed that the Salmon Arm squad would be an important factor again this year in the Interior Boxla League. Up to date they have lost only one of last year's players, Dick Cousins, who is now residing at New Westminster. Practice will start as soon as the ice and water are out of the Arena.

There was a fair attendance of players and enthusiasts. The meeting decided to remain in the Athletic Association just as long as it was deemed advisable to do so. There was much discussion in regard to the importation of a good coach but it was finally decided to leave the matter in the hands of the executive. Lars Nelson will continue as coach in the meantime.

The officers for this year will be: honorary president, A. Collier; honorary vice-presidents, C. R. Barlow; J. Bowes and Mr. Huntrod. President, T. H. Middleton; vice-president, W. Nelson; secretary, George McGuire. A. Tweedle will again act as team manager and the league representative will be appointed later by the executive. The retiring president, D. Calvert, was given a hearty vote of thanks for his work during the past year and in reply expressed the hope that his successor would receive the same co-operation this coming season.

The Y.P.U. Badminton Club completed play for this season last Tuesday night, when they held a very enjoyable American tournament in the Gym Hall. Some 20 members took part and play was keen throughout the evening.

F. Farmer was the highest man with a perfect score and Mary Calver was high lady, also with a perfect score. W. Calver won the consolation and Laurence Collier, playing as lady, won the ladies' consolation.

NEW ERROL FLYNN FILM FEATURES BETTE DAVIS

Co-starred for the first time in their careers, Errol Flynn and Bette Davis came to the Capitol Theatre on Monday and Tuesday, April 10 and 11, in "The Blowers," adapted from the play, "Who's Who in Hollywood," which has been one of the best selling novels of recent years.

Besides the brilliant star team, the cast includes a list of players that reads like a "Who's Who in Hollywood"—Anna Louise, Jane Bryan, Ian Hunter, Donald Crisp, Houlton Bondi, Henry Travers, Alan Hale, Dick Foran, Patric Knowles, Leo Patrick, Laura Hope Crews, Harry Davenport, and many others.

The story opens in the early thirties, hundreds on the eve of Teddy Roosevelt's election.

Advance notice, hall the star team of Flynn and Davis as one of the most brilliant combinations in screen history, with their superb acting setting the tempo for the rest of the brilliant cast. The vigorous story, which gives a fascinating picture of American life in the early thirties, hundreds, is said to be an ideal vehicle for them.

A quarter of a century ago, Kelvinator built the first electric refrigerator for domestic use. The first Kelvinator was designed to serve the family—to protect the health—to bring them unheard-of conveniences.

The Silver Anniversary Kelvinator is not a refrigerator of gadgets, but of fundamental design and expert planning. Every feature has been tried and tested and perfected through the longest experience in the industry.

We invite you to study this Kelvinator because we are confident that in it you will find the very features you want each developed to the maximum efficiency and dependability by the best known name in electrical refrigeration—KELVINATOR.
